Class Syllabus: 2026-2027 Grade 3A

MSOS Essential Question

"With Jesus, what makes my spirit soar?"

Isaiah 40:31

**To be updated for the 2026-2027 school year.*

Welcome

Aloha families! Welcome to 3rd Grade A. This year we will read great books, write with confidence, become fluent in multiplication and division, explore the world through science and social studies, and grow in our Catholic faith together. This syllabus is a quarter-by-quarter map of the year ahead so that families know what to expect and how to support learning at home.

"Not all of us can do great things. But we can do small things with great love."

— Mother Teresa

Mrs. Won's Teaching Philosophy

My teaching philosophy is rooted in nurturing the development of the whole child — socially, emotionally, and academically. I believe that every child learns best in a safe and supportive environment where they feel empowered to take risks, make mistakes, and grow from them. It is in this space that we nurture curiosity, unite as a classroom family, and inspire one another to reach our God-given potential.

Equally important is helping students grow in their relationship with God. Through daily prayer, reflection, and faith-filled learning, I hope to guide each child to become the unique person God created them to be.

At Mary, Star of the Sea School, we guide our students to become S.T.A.R.s:

- Self-aware, Confident Individuals
- Teachable, Lifelong Independent Learners
- Active Christians
- Responsible Citizens

My goal is to help your child grow in all these areas by building a strong foundation for both their academic journey and their life of faith. Together, we will nurture hearts and minds, unite in purpose and spirit, and inspire one another each day. I am excited for this new beginning as we grow together — empowered to succeed and always guided by faith.

Attendance

Students begin school at 7:45 a.m. with morning assignments. They will be considered "tardy" at 7:50 a.m. and will be required to get a tardy slip from the office. Please inform me and the office via email of any absences by 8:00 a.m.

- **Morning drop-off zone** is at the Gazebo along Marist Lane (drive-thru lane next to the church and cafeteria). Students arriving before 7:30 should proceed to the cafeteria.
- **Afternoon pick-up zone** is at the Gazebo beginning at 2:35 p.m. and 11:35 a.m. on Early Dismissal Days. Some children will be attending After School Enrichment Programs. Those with younger siblings are to be picked up together in front of the school office.

Class Expectations

Our classroom is a positive learning community where students are expected to be Respectful, Responsible, Safe, and Ready to learn each day.

Behavior Levels

- Above & Beyond — Outstanding choices and positive leadership!
- Ready to Shine — Making great choices and doing your best.
- Think — Pause, reflect, and make a better choice.
- Let's Try Again — Learn from their mistakes and make a better choice.

Positive Rewards

- Gotcha! Tickets — Schoolwide
- Treasure Chest Prizes
- Class points and special privileges

If Better Choices Are Needed

Students may complete a Think Paper, receive a parent contact, or meet with our school counselor or principal as necessary.

Grading

Grading will be based on a variety of daily classwork, projects, assessments, and homework. Late work will be accepted but may affect the student's study skills grade. Quality work is also expected (including manuscript-cursive writing).

Primary Grades K-3 Report Card Grading:

1 - Beginning

- The student is beginning to understand the concept or skill
- Requires significant support and guidance
- Limited understanding or mastery of the topic

2 - Developing

- The student demonstrates partial understanding or skill
- Needs occasional assistance or support
- Progressing but with notable gaps

3 - Proficient

- The student meets grade-level expectations
- Demonstrates a solid understanding of concepts or skills
- Works independently with minimal errors

4 - Mastery

- The student exceeds grade-level expectations

- Demonstrates a thorough understanding and can apply skills in new situations
- Work is consistently accurate and shows higher-level thinking

Report cards are based on how your child performs each quarter. Students also take a standardized assessment called STAR Renaissance for Math and Literacy in fall, winter, and spring. English Language Learners take the WIDA assessment as required.

Parent-Teacher-Student Conferences: Formal conferences are held at the end of the first and third quarters.

Technology Use

Platforms used in this class:

- Beehively, RenWeb, FACTS — family communication and portal
- IXL / Freckle — aligns with our STAR Renaissance test results; individual skill practice for math and language arts
- Student iPads — used as an additional resource for language arts, math, and research

***Digital Usage for Students:** All device use follows the MSOS Technology Acceptable Usage Policy in our MSOS Parent Handbook. Students are to use their iPads only for schoolwork, keep their original passwords, be kind online, and report any discrepancies upon the use of their device. *It is not recommended that students in third grade use any form of AI (artificial intelligence) for any of their class assignments.*

Homework and Study Expectations

ALL homework is a review of concepts taught in class / "Choice Boards" (see details below). Projects will periodically be assigned. Additional reviews / incomplete assignments will be added to daily homework as necessary. Students' Homework Agendas to be signed DAILY.

Choice Board Project and book report will be assigned twice a quarter, with 4 weeks to complete.

What is a Choice Board?

- A menu or grid of learning activities
- Students choose which activities to complete
- Covers different subjects / concepts / skills
- To be completed at home

Purpose of a Choice Board for Homework:

- Gives students voice and choice
- Makes homework more fun and engaging
- Supports different learning styles
- Encourages responsibility and independence
- *Reinforces subjects, concepts, and skills taught in class
- Allows for creativity and deeper thinking

Third Grade Homework Guidelines

(See Student Agenda for more details.)

3rd Graders are expected to spend about 30 minutes per night with about 20 minutes of independent reading. All homework is meant to reinforce concepts and skills learned in class.

1. Check your Student Agenda book every day after school to see what homework needs to be done.
2. Read all directions carefully before starting each assignment.
3. Take your time — don't rush. NEAT work shows you care!
4. Double-check your work when you finish.
5. Use your BEST handwriting and complete sentences when needed.

6. Ask a parent or older sibling for help if you're confused — but try on your own first!
7. Put a star or a happy face next to each assignment in your agenda after it's completed (projects: work on a little each day before due date).
8. Have a parent review your completed homework and sign your agenda book DAILY.
9. Pack your finished homework back into your folder or backpack.
10. Bring your Student Agenda book and homework to school every day.
11. Be proud of your work — you're building great habits!

Curriculum

Please refer to the curriculum map for the full quarter-by-quarter arc. This section shows the curriculum books and resources we use.

Religion

RCL Benzinger is used as a guided resource. Growing in our faith is the core of our instruction. Learn to pray and follow the significant events in our liturgical calendar that teach us more about God.

Science

Houghton Mifflin Harcourt (HMH), STEM Labs, and Mystery Science curriculum teaches students to explore engineering & technology, forces & motion, life cycles & inherited traits, organisms & their environment, and weather impact.

Literacy • IXL, Freckle

Students will develop their reading comprehension, grammar/language, and writing skills, through a cross-curricular approach that includes chapter books, Epic, and other resource materials. Students will explore fiction and non-fiction texts and write personal narratives, opinion pieces, research reports, poetry, and much more.

Math • IXL

Envision Math is a problem-based curriculum that will develop number sense, multiplication, division, time, data tables, fractions, and much more.

Social Studies

myWorld social studies curriculum teaches students about our environment, economics, communities, government, and citizenship. We will also learn about maps and geography.

Wellness

Wellness for third grade is once a week during our third quarter with our School Counselor, Ms. Tacy.

Students will explore their self-awareness by recognizing and managing their emotions.

Birthday / Holiday Treats

For health and safety reasons, please email Mrs. Won before bringing any class treats. Non-food items (goodie bags) are encouraged, or store-bought HEALTHY treats are preferred and should be easy to distribute to the children. Invitations only to be distributed if the entire class is invited.

*Please refer to the **PARENT/STUDENT HANDBOOK** for our school Birthday and Treat Policies (pp. 24–25).*

School Uniforms

*Please refer to the **PARENT/STUDENT HANDBOOK** for our school uniform policy (pp. 54–58).*

3A will have P.E. on Thursdays and Fridays. Students are to wear their P.E. uniforms on these days. *3A P.E. days to be updated for the 2026-2027 school year.*

Dates to Remember

Refer to our MSOS School Calendar for specific dates.

- Monthly Early Dismissal Days
- Parent-Teacher-Student Conferences (Q1 & Q3)
- Fall Festival
- Christmas Program
- Catholic Schools Week
- MSOS East Honolulu Food Festival
- May Day

Parent Communication & Room Parent / Volunteers

- Please check and sign your child's Homework Agenda DAILY.
- Please read 3A's Class Newsletter/Updates weekly, sent via email.
- Parent Pouches will be sent home EVERY Tuesday. Please sign and return these after reviewing the material inside.
- Parent-Teacher-Student Conferences are scheduled for the first and third quarters.
- 3A Classroom Parent — please email me if you are interested in being a parent volunteer to support our 3A class!
- Parents may also be asked to be chaperones for our field trips.

Please feel free to contact me via email at ewon@starofthesea.org with any questions or concerns. I will do my best to respond to all messages promptly. If you would like to meet with me, please email me 2–3 dates and times that work for you, and we will coordinate a conference.

My class schedule will be updated for the 2026-2027 school year.

**My class schedule to be updated for the 2026-2027 school year.*

Final Notes & Parent Acknowledgment

Thank you for entrusting me with your child this year. I am grateful for your partnership and trust. With God's blessings, I look forward to a wonderful year of faith, learning, and growth together.

Many Blessings,

Mrs. Edlin Won

Class website: <https://starofthesea.org/classes/> — all class pages, syllabi, and unit materials are live there.

Acknowledgment: After reviewing this syllabus with your student, please email ewon@starofthesea.org with the subject line "3rd Grade A Syllabus Reviewed — [Student Name]" so I know it has reached your family. Mahalo!

Empowered to Succeed, Guided by Faith!
