Mary, Star of the Sea School Mission

Nurture, Unite, Inspire. We are committed to nurturing each child's curiosity, uniting our classroom in respect and collaboration, and inspiring every student to grow in knowledge, faith, and wonder for the world around them.

2026-2027 Essential Question

"How can I model kindness, fairness, and humility like Jesus?"

Mrs. Tanaka

English as a Second Language • Grades K-3 • Mary, Star of the Sea School

Email: ktanaka@starofthesea.org

Dear Parents and Guardians,

Hello and welcome to English as a Second Language. My teaching experience at Mary, Star of the Sea School includes more than fifteen years of first grade, one year of third grade, and three years of English as a Second Language.

I will provide a safe, engaging, and nurturing Christ-centered environment where your child will be inspired to speak, listen, write, and read the English language.

When families and teachers work together, all students benefit from a consistent, supportive, and nurturing learning environment that respects cultural diversity and promotes academic success for all. I look forward to teaching your child this year.

Thank you for your support,

Mrs. Tanaka • ktanaka@starofthesea.org

Academics

- Communication is both written and oral. Students will understand and follow written and oral directions by reading and listening.
- Explode the Code is used for phonics and reinforcement.
- Spelling Skills cover spelling patterns, capitalization, and vocabulary development at the students' level.
- Language Arts covers parts of speech and sentence structure.
- Reading Skills focus on Facts, Sequence, Context, Main Idea, Conclusion, and Inference.
- Imagine Learning — Language & Literacy is an online reading program that focuses on vocabulary, comprehension, fluency, phonics, and phonemic awareness.
- Writing Skills cover personal narratives, informative writing, descriptive writing, opinion and comparative writing, and poetry.

Assessments

- WIDA is a research-based organization that supports teachers of multilingual learners. It provides online assessments to help students develop academic language proficiency, focusing on advancing academic language development and achievement for multilingual students.
- Imagine Learning provides online assessments that help teachers understand a student's language and literacy needs. These assessments identify specific strengths and weaknesses, allowing for targeted instruction and intervention.

"Let's work together to soar with Jesus!"

The Classroom

- Every student shall behave in a safe and appropriate manner as not to cause injury to self and classmates. The MSOS Student Conduct rules (see handbook online) must be followed at all times.

MSOS's Schoolwide Learning Expectations (SLEs Grades K–3) along with the school's mission and vision are integrated into the curriculum to foster growth in our students to become:

- Self-Aware, Confident Individuals
- Teachable, Lifelong, Independent Learners
- Active Christians
- Responsible Citizens

(See handbook online for the full list.)

- You should have received an ESL Supply List before school started. The required class supplies are: 1 wide-ruled composition book, 1 labeled 2-pocket portfolio, 1 Expo dry erase marker and eraser, 1 yellow highlighter, 12 pencils, 2 erasers, and 1 pack of 3×5 lined white index cards.
- Technology — Your child will use their iPad in ESL class for online reading programs and assessments. Please be sure your child has their headphones in their homeroom class.
- Homework is always due the next day. Please return the workbook to school. Homework should be a review of the day's class work.
- Daily class work and homework are checked to show thoroughness, effort, and neatness.
- All tests are recorded in percentages.
- Report Cards are given at the end of each quarter.
- Parent Conferences are scheduled twice a year and as needed.

Empowered to Succeed, Guided by Faith
