

WELCOME

Ms. Rasa's 2026-2027 Syllabus for 3B

Message from the Teacher

Aloha and Welcome to 3B! My name is “Ms. Rasa” Fournier, and I am delighted to be your child’s 3rd Grade teacher. This is my second year teaching 3rd Grade at MSOS. The year will be dedicated to learning and community. I hope to create a nurturing, united, inspiring, and faith-filled classroom where our life-long learners feel supported and excited to grow. I look forward to getting to know you and working together to make your child’s experience amazing.

Communication

- **Email:** rfournier@starofthesea.org
I answer emails during school hours Mon-Fri, 7:30 am.-3:30 pm
- **Notes:** If needed, you can write me a note in your child’s daily Agenda planner.
- **Newsletter:** Each Sunday you will receive an email with a newsletter about upcoming events and what we will be learning during the upcoming week.
- **Parent Pouch:** A pouch will go home each Tuesday with important fliers from the school. Please remove all items, sign, and return your child’s pouch each Wednesday.
- **Conferences:** We will have two parent-teacher conferences scheduled for the 1st and 3rd quarter. We may have additional conferences as needed.

Daily Reminders

- **Water bottle:** Please provide your child with a *labeled* water bottle.
- **Snack:** Please provide your child with a healthy snack to be eaten at first recess. (We have children with allergies, so please pack snacks and lunch with **no nut products**.)
- **Arrival:** Classroom doors open 7:35 am. Arrivals before 7:35 can go to the cafeteria for supervision.
- **Tardy:** If you arrive at school **after 7:45 am**, please have your child go to the office for a tardy slip before heading to the classroom. (Absent: Please inform the school when your child is absent by calling the office between 7:45-8:30 am. Please email me as well.)

Weekly Schedule SY 26-27

Ms. Rasa's 3B Class Schedule Q1

	Monday	Tuesday	Wednesday	Thursday	Friday
7:45-8:00	Morning Work	Morning Work	Morning Work	Morning Work	Morning Work
8:00-8:50	Literacy/ Writing	Literacy/ Writing	Art	Literacy/ Writing	Mass
8:55-9:45	Art	PE	Music	Math	Literacy/ Writing
9:45-9:55	Snack				
10:00-10:50	Math	Math	Math	PE	Math
10:50-11:15	Religion	Religion	Religion	Religion	Reading
11:15-11:40	RECESS				
11:45-12:10	LUNCH				
12:15-1:00	Reading	Reading	Reading	Reading	Library
1:05-1:40	Science/SS	Science/SS	Science/SS	Science/SS	Science/SS
1:45- 2:20	Science/SS	Music (to 2:35)	Literacy/ Writing	Science/SS	Science/SS
2:25- 2:35	Packup and Dismissal (mini days 11:35-11:45 am)				

*Health and wellness will be taught during the Second Semester

Field Trips/Volunteering

- **Field Trips:** K-3 will go on one field trip per quarter. A permission form and will go home for each field trip.
- **Volunteers:** Field trip volunteers may be needed. Other class and school-wide events may require volunteers. The classroom teacher, room parent, or PTG will reach out when volunteers are needed.

Our school mission: Third grade

Nurture

In 3rd Grade, *nurture* is an environment where students feel safe, supported, and valued — emotionally, socially, and academically.

Unite

In 3rd Grade, *unite* refers to creating a sense of togetherness, community, and belonging among students. It's about building a classroom where everyone feels included, respected, and part of the group — like a family unit.

Inspire

In 3rd Grade, *inspire* means sparking students' curiosity, creativity, and confidence — making them excited to learn and believe in their own abilities. It's when kids feel energized by ideas, encouraged to try new things, and motivated to grow.

Classroom Rules/Expectations

Our class creates a *classroom contract* that establishes actions that should be taken to make everyone in our class feel like a part of our community. The students participate in a collaborative discussion in which we agree upon the actions we want to see in the contract. Students are expected to follow the agreed upon expectations that are established during this conversation.

Other classroom expectations will be explicitly taught and demonstrated daily. Students are expected to work to high standards, and are treated with warmth, respect, and fairness. I will contact you directly if your student is having any difficulties following classroom expectations that include:

1. Be safe
2. Be attentive
3. Be respectful
4. Be kind
5. Do your best

Birthdays

- Please notify me one week in advance if you would like to bring in a treat for your child's birthday.

Per the school handbook:

- Class treats must be delivered to the **front office**, not directly to the classroom.
- Birthday treats need to be **store-bought, pre-packaged**, and **easy to distribute** (e.g., individual servings, sealed packaging). You may also consider non-food items (e.g. pencils, stickers, small books.)
- Due to allergies, all birthday treats need to be **nut free**.
- Birthday treats will be distributed at the end of the school day.
- **Invitations:** School protocol is that birthday invitations will only be handed out in school if the whole class is invited.

Library Books

Students will have the opportunity to check out a library book from our school library once a week on Fridays. Return it the following Friday so they can check out a new one!

Homework Procedures

Students should do their best to complete the work on their own. However, they depend on support from both school and home for success. Encourage them to attempt the work independently before they ask for help.

- **Agenda Book:** Each day your child will bring home their agenda book listing the day's homework or any special notes/dates/reminders. **Please initial the agenda book daily** and return to school each day.
- **Homework worksheets:** Any homework worksheets will go home in a Homework Folder. Please keep paperwork on the left side of the folder titled "Keep at Home" and return homework on the right side of the folder titled "Return to School." You will know I have checked the work if there is a star or happy face at the top.
- **Choice Board:** Generally homework will include a Choice Board (i.e. choose from a number of options) and longer assignment like a Book Report that they will work on daily toward a final project. Homework will reflect what students have been learning in class and is expected to take about 40 minutes to complete each day.

Grading

Daily class work and homework will be checked for timeliness, thoroughness, effort, and neatness. Writing assessments and class projects will be graded using rubrics. I will frequently be sitting down with students 1-on-1 to formally assess their academic progress. Throughout the school day I use informal, ongoing assessments to track student academic growth throughout the unit. I will then use summative assessments at the end of a unit or topic to see how much growth has been made and which areas still need improvement. Report cards are given at the end of each quarter and are graded using a 1 to 4 scale.

1-Beginning

- Student is beginning to understand the concept or skill
- Requires significant support and guidance
- Limited understanding/mastery of the topic

2-Developing

- Student demonstrates partial understanding or skill
- Needs occasional assistance or support
- Progressing but with notable gaps

3-Proficient

- Student meets grade level expectations
- Demonstrates a solid understanding of concepts or skills
- Works independently with minimal errors

4-Mastery

- The student exceeds grade level expectations
- Demonstrates a thorough understanding and can apply skills in new situations
- Work is consistently accurate and shows higher level thinking

Report cards are based on how your child performs each quarter. Students also take a standardized assessment called STAR for early literacy and math in **August** and **May**.

Curriculum Highlights

We employ the use of textbooks and a variety of supplementary iPad apps, as well as hands-on activities for our daily subjects. In addition, students receive training in PE, Music, Art, STEM and Library.

Daily subjects:

Religion

RCL Benzinger is used as a guided resource. Growing in our faith is the core of our instruction.

Literacy

Students will develop their reading comprehension, grammar/language, and writing skills, through a cross-curricular approach that includes chapter books, online apps, and other resource materials. Students will explore fiction and non-fiction texts and write personal narratives, opinion pieces, research reports, poetry, and much more.

Math

Envision Math is a problem-based curriculum that will develop number sense, multiplication, division, time, data tables, fractions, and much more.

Science

Houghton Mifflin Harcourt, STEM Labs, and Mystery Science curriculum teaches students to explore engineering & technology, forces & motion, life cycles & inherited traits, organisms & their environment, and weather impact.

Social Studies

My World social studies curriculum teaches students about our environment, economics, communities, government, & citizenship. We will also learn about maps/geography.

Thank YOU!

Student success is achieved by a combination of school and home support. We give your children the social and educational tools they need to become lifelong learners and valuable assets to their community. Parents are a key component of their child's academic success. You can support your 3rd Grader at home by showing interest: sign their daily homework Agenda, encourage reading, encourage writing opportunities (story-writing, diary entries, or writing cards or letters to family and friends) and math practice (give them real life math problems or surprise them with an occasional, simple multiplication problem).

Please reach out to me with any concerns at all throughout the school year so that we can work together to give your child the best 3rd Grade experience possible. I hope that you will take the opportunity to participate in events and volunteer possibilities as they arise. Your support is invaluable in nurturing a confident and inspired learner. Thank you.
