

Welcome to 2A!

Welcome to Second Grade! My name is Ms. Wong and I am very excited to be your teacher this year. I have been in education since 2016. I have taught 1st, 2nd, and 5th grade in my career thus far. I enjoy working with children and helping them shine.

When I am not teaching, I am chauffeuring my kids to their basketball practices and games. I enjoy watching them play basketball. We also scrimmage together as a family. Basketball is definitely a family sport for us. We also enjoy soccer. Another hobby I enjoy is crocheting. I was self taught and taught my daughter how to crochet too!

2nd grade is a big year! It is the year where our students can take sacramental preparation classes. It is a big commitment and we are excited to see our students soar with Jesus.

In the classroom, I have very high expectations and achievable goals for 2A. I will do my best to teach and model everything we do. I am a believer in treating others with kindness and respect. In order for children to see how kindness and respect works, it starts at home. In class, we will show respect by raising our hands to speak and asking permission before doing. To show kindness is to offer words of encouragement like, "great job!", "that's a beautiful drawing!", "you can do it!!", showing kindness on the playground includes every student when playing. I understand sometimes the children may not want to and that's okay. My goal is to build positive relationships between students.

In second grade, Independence is a big theme. They will have morning tasks they will have to do, such as putting away their own backpack, taking out their homework to turn in, and starting their morning work. We have a daily routine and we stick to it. By September, they can do it on their own without any reminders. Students take care of their own desks, cubbies, homework folder, agendas, and much more. They are responsible for completing their classwork/homework on their own. I hope to build independence and responsibility in our students.

I am excited for the new school year! We will have a great year soaring with our God given talents together!

MSOS Mission Statement: Nurture, Unite, Inspire

MSOS Vision Statement: Empowered to Succeed and Guided by Faith

Essential Question for 2025: How can I model kindness, fairness, and humility like Jesus?

2A's Mission:

In our class, we live the NUI mission by being kind, respectful, and safe. I believe it's important to take care of one another. Everyone is different, and that's what makes us special! In our classroom, we practice being kind, accepting others, showing respect, and being safe. We respect each other's differences, take care of our classroom, and always try to be caring, safe, and helpful friends.

Our classroom expectations are based on our Schoolwide Learning Expectations (SLEs):

- Self-Aware Confident Individuals
- Teachable Lifelong Learners
- Active Christians
- Responsible Citizens

In this class you will:

- Arrive on time and be ready to learn, with a positive attitude.
- Be respectful to your classmates.
- Actively participate in class discussions.
- Complete the assigned work with your best effort by the due date.
- Follow safety rules and expectations.
- Work collaboratively in a safe and responsible way.

Grading:

Grading will be based on a variety of daily classwork, projects, assessments, and homework. Late work will be accepted, but may affect the student's grade. In Primary we use 1-4 as our grading system.

1-Emerging

- The student is beginning to understand the concept or skill
- Requires significant support and guidance
- Limited understanding or mastery of the topic

2-Developing

- The student demonstrates partial understanding of the concept or skill
- Needs occasional assistance and support
- Progressing towards full mastery but with notable gaps

3-Proficient

- The student meets grade-level expectations
- Demonstrates a solid understanding and application of concepts or skills
- Works independently with minimal errors

4-Mastery

- The student exceeds grade-level expectations
- Demonstrates a thorough understanding and can apply skills in new or complex situations
- Work is consistently accurate and shows higher level thinking

Report card grades are not progressive. This means students will receive a 1, 2, 3, or 4 based on the topics covered in that specific quarter. Grading is based on the end of unit assessments and in class work.

Homework:

Homework typically will be given Mon. - Thurs. Some projects may extend through the weekend. Day to day students will be writing their homework in their agenda. Please initial that you have seen their agenda and check their homework Mon. - Thurs. The following day I will place a stamp, sticker or star to indicate homework was seen and checked by parents. Homework should not take more than 20 minutes a day, without reading time. Reading on its own is another 15-20 minutes a day. I understand that sometimes it is hard to complete the homework, do not hesitate to let me know in advance, I am very accommodating.

Nightly Book Bags

The best way to communicate is through email. I will respond within 24 hours. Tuesday Pouch will be sent home every Tuesday and returned Wednesday. Please be sure to empty the pouches, send back any forms that need to be returned, and sign to acknowledge the receipt of flyers. We also use Beehively where our weekly newsletter will be emailed on Fridays.

Dress Code:

Please double check that your student is dressed in the appropriate school uniform everyday. For example, PE uniform on PE days only (Monday/Tuesday), church uniform on Mass days (usually Fridays unless special Catholic holidays), and regular uniform on others.

If they are not wearing appropriate uniforms, they will receive a slip. Please check the handbook for more dress code information.

Birthday Celebrations/Parties:

Your child will be celebrated on their birthday, they get a special shout out on the morning announcements, a special job for the day, as well as a birthday sticker to wear on their shirt, 2A will sing happy birthday to them. Parents must notify the teacher a week in advance if there are plans to bring pre-packaged birthday celebration snacks/goody bags. The pre-packaged snacks/goody bags must be brought to the office. The office will deliver it to the classroom. Remember, we are aiming to have healthier snacks, as well as tree-nut and peanut free items.

Pick up:

Please make sure that your **BLUE** placards are in your car for pickup. This will make pick up run smoothly. Please be prompt, 2:45p is our pick-up time at the front of the office. If there are any changes to pick up, please notify the office.

Schedule:

A detailed schedule is included on the last page.

****PLEASE NOTE that PE is on Mondays and Tuesdays.**

Digital Platforms:

We will be using a variety of digital resources throughout the year, including Freckle, Epic, Renaissance, Mystery Science and others may be added during the year. Freckle is a program used to support individualized learning.

Academic Programs:

In second grade, students will be challenged through hands-on interactive cross-curricular units.

Religion:

Book: Blest Are We Book

Content: The Sacraments - emphasis on Baptism, Reconciliation, Confirmation, and Communion.

Additional topic: Vocations, Saints, and holidays.

Spelling/Phonics:

We will be using: From Sounds to Spelling program which encompasses phonics and phonological awareness. The program From Sounds to Spelling is sound based rather than memorization. We will be practicing the weekly Target Words as well as the High Frequency Words throughout the week to prepare for a dictation test. It is not a traditional spelling test, but more of an understanding of how to use our sounds to spell.

Reading:

Books/Programs: Epic, Freckle, and book novels.

Content: Storybooks, chapter books, biographies, poetry, fables, historical text, non-fiction, realistic fiction, mysteries, fantasies, magazine articles, procedure texts, plays, informational texts, opinion pieces, and folktales.

Literacy:

Book/Program: Reader's and Writer's Journal, From Sounds to Spelling, and Zaner-Bloser Handwriting Book.

Content: Writing, Grammar, Spelling, Speech and Listening.

Math:

Book/Program: enVision Math 2.0 Volume 1 & 2 Books.

Content: Computation, place value, time, money, estimating and graphing, problem solving, geometry, measurement, fractions, temperature, and multiplication.

Science:

Book: Into Science, Mystery Science

Content: Being a Scientist, All about Plants, New Technology, Matter, Energy, Light, Sound, and Magnets, Earth and its Resources, The Solar System, and Habitats.

Social Studies:

Book: My World Interactive Book

Content: Self - All about me: Grandparents day, Community and Community helpers, Economics, American Culture/Government, Cultural Diversity, Earth and Environment Awareness, Family History, Geography, Market Day. Our major events for 2nd graders will be Grandparents Day and Market Day. Grandparents day is where we celebrate our grandparents on campus. There will be light refreshments/drinks. Market Day is another major event. During this unit students will write about what type of business they would like to have and plan how they would run their business. Students will use their math knowledge and skills in counting money, as they plan and run a successful and profitable business.

If you have a strong desire to volunteer as a homeroom parent please send me an email at: jwong@starofthesea.org. In order to help within our class, please complete the forms in the Parent Orientation Packet and return them as soon as possible. I am looking forward to a great year ahead of us! With your partnership, your children will continue to become lifelong independent learners.
